DOUBLE N WORKS

VETERAN-OWNED
SDVOSB cert. pending

ABOUT US

Double N Works LLC delivers Facilities Operations Support, Custodial Janitorial, and Landscaping and Groundskeeping services to federal agencies, prime contractors, and facility owners and managers. We also maintain and repair commercial refrigeration, air conditioning, and air circulating equipment.

The outcome: clean, inspection-ready facilities and grounds, and equipment that keeps running, with each task scheduled, documented, and closed out. Work is performed nationwide and scoped to each site's requirements, and we are built to team with prime contractors.

CORE COMPETENCIES

- **Facilities Operations Support:** preventive and corrective maintenance, facility inspections, and work order close-out
- **Custodial Janitorial:** daily, periodic, and project cleaning with quality inspections
- **Landscaping/Groundskeeping:** mowing, edging, turf care, and grounds maintenance for campuses and facility sites
- **HVAC and Mechanical:** preventive maintenance and repair of refrigeration, air conditioning, and air circulating equipment; filter and airflow programs; boilers and pumps
- **Contamination Control:** sanitation programs and clean-room protocols
- **Quality Control:** written inspection checklists and compliance documentation

HOW WE DELIVER

- **One accountable contact:** the owner acts as the single point of contact for every contracting officer and COR, with response within 24 hours.
- **Dated photo reports:** a photo-verified completion report to the COR within 24 hours of each service visit; every work order tracked in real time to close-out.
- **Vetted subcontractors:** each one is screened for active SAM registration, no exclusions, and current license and insurance before work starts.
- **Set-aside compliance:** staffing is planned to the limitations on subcontracting (13 CFR 125.6).
