ABOUT US

Double N Works LLC delivers Facilities Operations Support, Landscaping/Groundskeeping, and Custodial Janitorial for federal agencies, prime contractors, and facility owners and managers. We also maintain and repair commercial refrigeration, air conditioning, and air circulating equipment.

The outcome: clean, inspection-ready facilities and grounds, and equipment that keeps running, with every task scheduled, documented, and closed out. Work is performed nationwide and scoped to each site's requirements.

CORE COMPETENCIES

- **Facilities Operations Support:** scheduled preventive maintenance, inspections, work order close-out
- **Custodial Janitorial:** daily, periodic, and project cleaning with quality inspections
- **Landscaping/Groundskeeping:** grounds maintenance for campuses and facility sites
- **Refrigeration, Air Conditioning, and Air Circulating Equipment:** scheduled maintenance and repair
- **Contamination Control:** sanitation and clean-room protocols
- **Quality Control:** inspection checklists and compliance documentation

DIFFERENTIATORS

- **One accountable owner-operator** as the single point of contact
- **Response within 24 hours** from the person responsible for the work
- **Real-time work order tracking** and photo-documented close-out reporting
- **Built to team** with prime contractors
